Are we including on costs in the budgets for these activities – i.e. heating, cleaning and management. We need to consider a fixed figure to add to accounts going forwards perhaps?

Via the grants we charge CK for room hire for these events to cover oncosts – Sarah

I have talked to Sarah about setting up another monthly Community Hub event on a Sunday afternoon – a Reading Cafe, where people pay a set amount to come and read in a quiet space, with tea/coffee/biscuits/cake, and books

donated by the Tree House Bookshop for people to buy if they want to (all proceeds to tKC). Hoping to start that in the new year.

Do CAB do 'pop up' sessions, and would they be interested in doing so at tKC? It doesn't fit here, but I was also wondering why vaccination went to KMC . Is it because we can't offer full day availability?

CAB are already located at The Library on a Thursday, but they will attend hub events upon request.
