

RECYCLE FOR KENILWORTH +

+ others

We recycle targeted plastics & aluminium cans to raise funds for the Kenilworth Centre to help provide services to our community

We accept any branded empty personal and health care bottles and packets to recycle at Boots for funds:

Personal Care & Cosmetics

Personal and Baby care

Dental care

Empty toothpaste tubes

Contact Lens, cases and
Eye-drops bottles

We accept any brand of inkjet cartridges and laser cartridges (please separately seal them to avoid ink leak onto everything else):

We send some to Recycle4Charity for funds and others to support the work of the Kenilworth Uyogo Friendship Link.

We take empty medicines blisters to Aldi Leamington to dispose of. Aldi then pays for recycling them. We do not get any funds for this material. Your donation to tkC is vital to keep this a circular economy. THANK YOU.

We collect writing instruments through the Edding Return Box. We also supply the boxes to Schools and the Kenilworth Centre. There is no fund arisen from this participation. The boxes and postage are FREE.
